- fun, friends, and new adventures await when

## Time with friends

Kids love being with their friends, and holiday programs give them plenty of time to hang out and have fun together.

## Lots to do

With activities like art, sports, and dress-ups, there's always something fun to choose from.

## Made for kids

Children help plan the activities, so they are always doing things they enjoy.

## Learn and grow

Kids try new things, build confidence, and learn in fun ways - without it feeling like school.
